

REMARKS

In response to the Notice of Non-Compliant Amendment (mailed December 12, 2007), Applicant submits a complete listing of all claims with their proper status identifiers. The present status identifiers indicate that claim 4 is withdrawn-currently amended and claims 5-7 are withdrawn. Claims 4-7 read on a non-elected species. Applicant respectfully requests that these pending but withdrawn claims be examined fully on the merits in the event that the additional species recited therein are embraced by an allowable generic claim. 37 CFR 1.141.

Claim 1, in amended form, is reproduced above, again with the status identifier "currently amended". Please consider the remarks set forth in the response filed on October 9, 2007.
